Date Received _____

NOTICE OF CONTINUING STATUS ELIGIBILITY

1. Experience Requirement

If a continuing status has not been achieved elsewhere in Ohio, three years of teaching experience in Perry within the last five years is necessary. If applying under this provision, when will your three years of teaching experience be completed?

If continuing status was achieved elsewhere in Ohio, two years of teaching experience in Perry is required. If applying under this provision, when will your two years of teaching experience be completed?

2. Certification

A valid Ohio professional, permanent or life certificate must be on file with the central office no later than February 1st or notification that the certificate is in process.

Thirty semester hours of course work in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license is required. If a masters degree was held at the time of initially receiving a certificate or license, six semester hours of graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license is required. When do you expect to complete the certification requirement?

How many required semester hours do you have completed as of the date of this application?

In providing this information you are informing your principal that you wish to be considered for a continuing contract commencing with the next school year, and wish to have your professional competency so evaluated during this school year.
